We have a real nice group of bulls to offer again this year. I feel every one of them can help move a herd forward, whether it's pounds on the scale or replacements back in the herd. For the best results, come prior to sale day so I can help match up a bull to your specific needs.

The heifers being offered come right out of my replacement pen. They should turn out to be productive cows that will work in any environment. I also put in three commercial heifers that came out of the clean-up bulls (not listed). Thanks for the interest in our program!
