We have a real nice group of bulls to offer again this year. I feel every one of them can help move a herd forward, whether it's pounds on the scale or replacements back in the herd. For the best results, come prior to sale day so I can help match up a bull to your specific needs.

NOTE: We've highlighted the bulls that are good for use on heifers.

— 2023 Circle J Angus Sire Information —

We have a real nice group of bulls to offer again this year, and whether you're looking for pounds on the scale or replacements back in the herd, you'll find one in this group. Come prior to sale day so I can help match up a bull to your specific needs!

Tahoe: This sire covers all the bases with calving ease, growth, and excellent female production. He is the kind of bull that will keep you in business. You're going to see a lot more of these Tahoe calves here.

No Doubt: If you're looking for a little more frame, the No Doubt bulls will cover that base. They have excellent feet and a good disposition.

Circle J Bronc: This is a home-raised sire that has performed well for us. He has an excellent disposition and will produce some nice calves for you.

True North: This bull is a real female-maker with calving ease. He is moderately framed, with as much thickness and depth of body as I have seen in a bull with this much calving ease.

Barricade: He is a powerful bull, produces excellent females, and has great feet. He will add a lot to your herd.

Justified: He's a calving ease bull with a moderate frame and added length of body. He's a female-maker with excellent growth and disposition.

Plus One: Another calving ease bull with good growth and a great disposition.

Sale Date & Time:

Sunday, February 26, 2023

Cattle will be penned and available for viewing at 10:30am. Lunch will be served at 11:30am. Bids will close at 2:00pm.
